**Individual and Household Membership and Dues Increases Starting July 1, 2017**

\$60 for Household Memberships;  
\$40 for Individual Memberships;  
\$5 for Open Door Memberships.

NAMI membership dues are shared between NAMI National, NAMI California and NAMI Santa Cruz County. NAMI National and NAMI California each receive \$20 for each Household membership, \$10 for each Individual membership and \$1 for each Open Door membership.

NAMI Santa Cruz County receives \$20 for each Household membership, \$20 for each Individual membership and \$3 for each Open Door membership.

A **Household Membership** is a membership that is intended to allow all individuals living at the same address to be counted as members in NAMI with the benefits of membership being applied to each member listed as part of the household. The household membership will only receive one copy of the NAMI Advocate, but all other member benefits are granted to each listed member.

An **Individual/Regular Membership** is intended for one person to become a member of NAMI. Members may become members through an "**Open Door**" policy that allows for a reduced dues payment. Open Door members are defined by income or economic necessity. Open Door members shall have all the rights and privileges of members who pay full dues.

Every membership is with the national, state and local levels and includes:

- One copy of the Advocate magazine, mailed twice per year
- Access to members-only areas of the [NAMI.org](http://NAMI.org) website
- Discounts on National Convention registration rates
- Discounts on items in the NAMI Store
